Grow with Google helps ensure the opportunities created by technology are available to everyone.

Since 2017, more than four million Americans have grown their businesses and careers with help from Grow with Google’s trainings and in-person workshops.

Grow with Google has built a network of over 7,000 partner organizations — including local libraries, schools, and nonprofits.

Committing $1 billion in Google.org grants to support nonprofit innovators using technology to create more opportunity for everyone.

Contributing 1 million in Google employee volunteer hours towards nonprofits that use technology and innovation to tackle complex challenges.
